About RMG:

RMG holds permits in the northern part of Chile. The project is called Tuina and is located approximately 50km from the world's second largest copper mine, Chuquicamata.

The Tuina district has had mining of mantos style deposits for several decades and is considered to have significant potential for new manto discoveries and extraction of sulphide ore which to date has not been mined. RMG is currently focused on exploration of the La Teca and Santa Rosa prospects. Please visit the Company's website for more information.
